Welcome to the Bronx River Greenway!

Did you know that the Bronx River Greenway is within a 20-minute drive of over 1.9 million people and is an excellent destination for exploration of some of New York City’s most scenic waterfront parks and trails to explore?

Did you know that the Bronx River was designated a National Water Trail by the National Park Service in June 2021 for more information about paddling the Bronx River visit www.bronxriver.org/paddling.

This guide features eight must-visit spots of a greenway in action, for more information about the Bronx River Greenway visit www.bronxriver.org/greenway.

Get Moving on the Bronx River

The Bronx River Alliance serves as a coordinated voice for the river and works in harmonious partnership to protect, improve, and restore the Bronx River and its greenways so that they can be healthy ecological (in)dependent, educational, and economic resources for the community through which the river flows.

A Close View and Fondness for Greenways for Healthy Bronx Communities

Visit one of the dozen Bronx River Greenways and Greenways to see why the river offers many ways to get active while exploring local history, nature, wildlife, and much more. The Bronx River Alliance invites you to join us.

Safety Tips

• Be aware of park hours are from sunrise to sunset. Playgrounds are open as long as the sun is up. However, we advise you to check out the schedule of the park as hours may vary.
• Some parks have high, dense vegetated areas, such as the Bronx River Forest. Be aware of the potential for thorny bushes. Stay on the trails and keep off the bike path, as the trails may be too uneven.
• Please help protect the park and the Bronx River by leaving your pets at home. Pet waste is a major concern. Help us maintain our natural resources by removing trash and animal waste.
• For additional information about NYC parks, please visit www.nycgov/parks.
