

Where to **PARK** at **Starlight Park**

Right now, there's no parking lot at Starlight. In the future, there will be a small parking lot, expected in 2015. There are good places to park nearby:

CAR PARKING :

- **West Farms Road:** Street parking on West Farms Road, just west of the Sheridan Expressway. Take stairs up to 174th St. Bridge. Enter park via the ramps down from the bridge.
- **Bronx River Avenue:** Street parking on Bronx River Avenue. Walk across the 174th St. Bridge. Enter park via the ramps down from the bridge.
- **Whitlock Avenue:** Park on Whitlock Avenue, south of Westchester Avenue. Cross Westchester and walk north along Sheridan Expressway access road.
- **West Farms Square Parking Structure:** Paid parking structure, open 24/7. Enter on 179th Street at Boston Road. Walk across the river on East Tremont Avenue, then south on Devoe Avenue. Enter the park at 177th Street

WALK, BIKE, or ride the SUBWAY: Take #6 train to **Whitlock Avenue** station. Take #2 train or #5 local to **West Farms Square** or **174th Street**.

ALSO NOTE: There are porta-potties, but **NO WATER** – bring your own drinking water!
